Press Praise for Lindy's Performances:

"I was totally bowled over by the singing voice and charm of Lindy Abromowitz who nearly hijacked the show with her bubbly personality and hysterical yet controlled antics on stage"
– Leon Van Nierop, Artslink

"Lindy Abramowitz(sp) is not only exquisitely beautiful but has a voice to match". – Jimmy Tsegas, The Citizen

Abromowitz throws herself into every song and her musical range is spectacular. She does not seem to have a set style, but rather, like a singing and dancing chameleon transforms her voice and personality to suit the act, whether she is doing long-suffering Christine in Phantom of the Opera, the sultry serial killer in Chicago, or the eternally optimistic Annie. Her performance simply drips with satire. – Astrid Stark, The Cape Times
